FIELD AND GARDEN SEEDS

# Twenty-Fourth Annual **PRICE LIST**

—OF THE—

G. B. CUTLER SEED CO.  
Marshall, Minn.

---

March 1st, 1942

In presenting you this 1942 Price List, we wish to thank all our friends and customers for their past patronage.

Our old customers are well acquainted with our ways of doing business, and you should ask the old if in doubt as to our square dealings.

**No Warranty.**—We exercise extreme care in the filling of all orders, but we give no warranty, expressed or implied, as to the quality, description or productiveness, or any other matter of any seeds we send out, and will in no way be responsible for the crop.

**Prices Subject to Change.**—The prices quoted herein are based on market conditions at the time this list is issued and are subject to change without notice. We do not alter prices except in extreme cases, but if your list is an old one and you have occasions to presume that prices are either higher or lower, just write us for current list before ordering and we will supply one at once.

**Orders Promptly Filled.**—In case of delay you will be notified by letter explaining the cause of such delay and advised when shipment will be made. If you do not hear from an order sent us within a reasonable length of time, send us a duplicate, stating amount of remittance, and be sure to give your name and full address.

**Terms of Sale.**—Cash must accompany orders and should be in the form of Money Order or Bank Draft, Currency or Registered Mail, or Bank Check.

G. B. CUTLER SEED CO.

GEORGE AND JULIUS

## A Few Words From George

Once again the seed catalog season is here. Time for you all to step into the G. B. Cutler Seed Co. house and say "Hello, George!"

Come in at any time, we will greet each and every one with a cheery smile and "Hello" in return. Be right-ready to fill all of your orders and offer whatever information we have in our line to help you solve the problems of raising a garden, permanent pasture, lawn or what have you.

We aim to carry a complete stock as in the past years. Sorry, but must inform you all of the great scarcity in many varieties of garden seeds, also the advanced high prices. Due to the general conditions caused by the war seems to be the real reason.

I believe it has become a habit in the years gone by to relate a few of the many things my wife and I did the previous summer after the busy season was over. This time perhaps will prove rather disinteresting as we did not take a trip. A few days spent at my wife's mother's, in the southeastern part of the state during the dreadfully hot spell in July sort of wilted us as well as our desires to travel, therefore we returned to our home and endeavored in every possible way to keep cool.

Before we realized it, it was September 1st, time to be back on the job, thinking of the many seeds to be bought for this Spring's busy season, to have ready to serve the many old and new customers. The vast increase in every line of our business during the twenty-four years we have served you seems the best way to prove we have treated you all fair and square in all our dealings together.

Here is trusting peace will be signed before vacation time rolls around, or else no

chance of buying a new car or tires for us to take a trip this summer and we will be forced to remain at home, save the car and tires we have and buy more Defense Bonds and Stamps.

Everyone should get busy and raise a Victory Garden to supply their families with all the needed vitamins in order to be strong, healthy men and women. Don't fail to use the Defense Time to plant, hoe and weed your gardens.

Now, to tell you a story, believe it or not!

There was a little boy starting to school and his teacher asked him what nationality he was. He replied "I am Irish." "Where were you born?" He answered: "Marshall, Minn." "Well, then you aren't Irish. You are an American. "No," says the boy, "I am Irish. My father and mother are both Irish, therefore I am Irish." The teacher still persisted that he was an American. "Well, then, by the way you figure it out, I suppose if an old cat had kittens in an oven they would be biscuits."

The above reminds me of one more.

A young farmer, expecting to be called to serve in the army, didn't want to go. He was talking to a neighbor who said he believed he could help him if he wanted him to. Naturally, the young farmer was game. The neighbor told him he knew of a widow with four children whom he could marry and by so doing, have a wife and family and be exempt. The young farmer exclaimed: "No, thank you, I am not interested. If you happen to know a good widow with four good tires it would be all right with me."

GEORGE

## **ALFALFA**

Our seed all comes to us in sealed and branded bags, and is of the 1st grade. You have likely been hearing over the radio about the cheap seed you can buy. If you have, send for sample and see then if you want the grade of seed advertised.

### **Northern Grown Alfalfa**

This does not need any explanation as everybody knows how good it is and every farm should have a few acres.

Do not buy Alfalfa seed that is offered cheap as it may be southern grown seed which is always cheaper than northern grown seed. The southern grown alfalfa, grown from this seed will not stand our cold winters.

This year the Minnesota law says that no Grimm's Alfalfa can be sold without a state seal so do not be misled by buying cheaper seed from some other state that does not have

that law. Our seed is the blue tag or the best grade, put up in towel bags 30 to 60 pounds each and the price for that kind of Grimm's Alfalfa is per lb. -----45c

Our Cossack Alfalfa, as perhaps you all know, is a hardy plant, as much so as Grimm's but makes a finer grade of hay.

Our price is per lb. -----45c

The Dakota 12 is nothing new, we all know about that.

Our price is per pound -----40c  
Minnesota grown.

## Nitragin

Inoculate your alfalfa and clover with Nitragin for best results.

1/2 bushel size can -----30c

1 bushel size can -----50c

---

## SWEET CLOVER SCARIFIER

Having installed a new, modern Scarifier we are able to do you a bet-

ter job and in less time than before. Bring in your Sweet Clover—have it scarified and cleaned. Our price is 80c per cwt.

---

## **Permanent Pasture Mixture**

We can furnish you a mixture to suit all purposes at a very reasonable price. We cannot quote prices as we do not know just what mixture you need. Call and we will figure with you.

## **Lawn Grass**

A mixture of grass seeds for any kind of lawns. Consists of: White Clover, Blue Grass, Red Top, Rye Grass.

Price per lb. . . . . 35c

## **Medium Red Clover**

This seed is grown in Minnesota, cleaned in fine shape and is the best grade to be had.

Price per lb . . . . . 28c

## Sweet Clover

All of this seed is scarified.

White Blossom—

1st Grade, per lb. -----11c

2nd Grade, per lb. -----

3rd Grade, per lb. -----

Yellow Blossom -----11c

Grundy Co. or Dwarf -----

## Alsike

This is by all means the best clover for a low-land pasture.

Price per lb. ....28c

## Milletts

Hungarian, per cwt. -----\$4.00

Siberian, per cwt -----\$4.50

German, per cwt. -----\$4.50

Japanese, per cwt. -----

Proso or Hog, per cwt -----\$3.00

## White Dutch Clover

This is the kind to sow on your lawn. Also good in a pasture mixture.

Price per lb. ....85c

## Grass Seeds

Timothy, price per pound	-----11c
Timothy and Alsike Clover mixed	
20 per cent Alsike, 80 per cent	
Timothy, price per pound	----15c
Red Top, price per pound	-----17c
Blue Grass, price per pound	----28c
Bromus, price per pound	-----22c
Reeds Canary Grass, per lb.	----40c
Rye Grass, per pound	-----12c
Crested Wheat Grass, per lb.	---20c

## Rape

This seed is grown in the United States and sure is the quickest pasture for cattle, hogs and sheep when sown in spring. For fall pasture nothing gives more cheap feed than Rape sown in small grain. Price per cwt. -----\$22.00

## Sudan Grass

A great one-year hay and pasture grass; can be cut for hay two or three times a season, a little coarse, but very good feed. Price per cwt. \$5.00

Home Grown ----- \$4.50

## **Amber Cane**

One of the greatest fodders—if mixed with corn. Price per cwt. \$4.25

## **Kaffir Corn**

If cut green makes fine fodder. If allowed to ripen, is one of the best feeds for chickens. Per cwt. --\$4.50

## **Grahoma**

A real feed. Per cwt. -----\$4.50

## **Hegari Cane**

Similar to Cane. Per cwt. -----\$4.50

## **Atlas Sorgo**

A Sweet Fodder, per cwt. ----\$4.50

## **Orange Cane**

A dwarf for fodder, per cwt. --\$4.50

## **Soy Beans**

Manchu, per cwt. -----\$5.00

HYBRID SEED CORN

## GARDEN SEEDS

Why pay two prices for your garden seed done up in packages with a pretty picture on it? If you do so—you have to pay for the picture extra.

Our seeds are in plain packages with more seeds for less money. If you would like different varieties not listed below we can furnish same.

We pay postage on all garden seed. If you want package seeds will furnish them at 5 cents per package.

## CROP INVENTORY HELPS

To find the number of bushels of grain or shelled corn in bin or box: Multiply length by width by depth in feet and multiply by 8 and leave off last right-handed figure, e. g., 100 cubic feet times .8 equals 80 bushels.

To find the number of bushels of ear corn in crib: Multiply length by width by average depth in feet to determine cubic feet. When sides of crib are flared add width at floor and width at top of corn and divide by 2 to find average width. To find cubic feet in round crib multiply distance around by average height by  $2/25$  of the distance around.

Ear corn will run from  $2\frac{1}{4}$  to  $2\frac{1}{2}$  cubic feet per bushel, depending upon the size and shape of the ears. Hence divide cubic feet by either  $2\frac{1}{4}$  or  $2\frac{1}{2}$ . If  $2\frac{1}{2}$  is to be used same result can be obtained by multiplying by 4 and leaving off the last figure to the right. The above table is figured basis  $2\frac{1}{2}$  cubic feet per bushel.

## Garden Seeders and Cultivators

These seeders are complete. They are a  
Combination Seeder and Cultivator.

Price each . . . . . \$15.00

## Cultivators

Single Wheel, Complete.

Price each . . . . . \$6.50

## Clipper Cleaner

This year we are selling the Clipper Mills and as you all know this is the best mill for cleaning all kinds of grain and seed. Screens for all purposes.

They come complete with 12 screens and for motor or hand power.

No. 1 Clipper . . . . . \$45.00

No. 2 Clipper . . . . . \$50.00
